Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The 38 FXO is an outboard-powered yacht with incredible performance and handling that provides ultimate versatility with elevated 360° open-air views when captained from the bridge or a climate-controlled environment surrounded by panoramic windows when captained in the upper salon. The flybridge's open layout creates a prime location for both entertaining and navigating while the galley combines with the outdoor refreshment center to serve as a versatile meal prep station. Lower the large window with just the push of a button and slide open the enclosure doors to seamlessly blend the cockpit and salon. Featuring a California Queen bed, easy access on both sides, and an unheard amount of storage beneath, the forward stateroom not only raises the bar but is in a class of its own. Likewise, the aft stateroom features a full-size king bed with plenty of walk-around space that can easily be converted into two twin beds.

KEY FEATURES:
- NMMA, ABYC, USCG & CE Certified
- Integrated Self Bailing Cockpit System
- Automatic Fire Suppression System
