Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The uniquely crafted LS36 merges our luxury yacht series with our sporty bowrider series, making a game-changing new product. This comfortable bowrider is perfect for going out onto the lake for a smooth ride or hosting friends and family on the weekend.

Providing your passenger with the right tools to be an expert co-captain or playlist-chooser is easy thanks to the 16" Companion Screen with easily accessible navigation, system information, media controls, HDMI input, and more. With ergonomics and comfort in mind, the foam density, angle of backrests, corner seating, and measurements of thighs rests were all thoroughly considered and rigorously tested to ensure maximum comfort.Duringhot and sunny days, simply open the expansive retractable hardtop, windshield walk-thru, and side windows for a fully open-air yachting experience or simply close everything, crank up the cockpit air conditioning or heater, then sit back and relax during inclement weather. Slide the portside console over for unimpeded access to your spacious head and open the starboard bow seat to reveal a large quarterberth area with available mattress and StoreMore storage racks.

The Regal LS36 features everything you need to entertain the entire family thanks to a full-service galley made with premium materials and conveniences such as stainless gas rams, hidden Yeti storage with sliding access, and more, making this 36' bowrider unmatched in onboard entertainment.

KEY FEATURES:
- NMMA, ABYC, USCG & CE Certified
- Power Assisted Steering
- Integrated Self Bailing Cockpit System
- Convenient Remote Main Battery Switches
- Gas Vapor Detector
