Description

This NEW Venom Striker Sports boat hull is a blend of Australian offshore boating heritage and modern performance design principles, ensuring it excels in handling, stability, and versatility. The design emphasises functionality, robustness, and adaptability, making it a standout choice for both recreational and serious boaters in Australia!

The 2400 Venom Striker, built by WA Boat Builders, is often celebrated for its design pedigree, which is rooted in proven hull shapes and engineering principles tailored to Australia's demanding marine conditions. The hull is likely inspired by classic Australian deep-V hulls, such as the Formula 233 which are renowned for their ability to handle rough offshore waters. This design heritage is a hallmark of offshore boats. This design:

- Allows the boat to slice through waves effectively.
- Reduces pounding in rough conditions.
- Provides excellent handling at high speeds, and;
- The flared bow enhances the ability to shed water, keeping the cockpit drier when tackling waves.

Engine Features:

- 350hp Mercury Verado outboard (only done 5 hours).
- High Horsepower: With 350 horsepower, this Venom delivers impressive speed (over 40 Knots), acceleration, and towing power, making it ideal for offshore fishing, and even watersports.
- Supercharged Engine: The Verado is supercharged, which provides robust power delivery across the RPM range, ensuring smooth performance even under heavy loads.
- Optimised for Economy: Mercury Verado outboards are known for their efficiency, balancing high power with reduced fuel consumption, which is particularly beneficial for long trips or frequent use.
- Digital Throttle and Shift (DTS): Provides precise and smooth control, eliminating cable friction and resistance for better manoeuvrability.
- SmartCraft Integration: VesselView for real-time engine performance data, improving monitoring and diagnostics.
- Comprehensive Warranty: Backed by Mercury Marine's extensive dealer network and customer service, providing peace of mind for owners. (the engine has existing new manufacturer warranty)

Key Features:

- 4T aluminum trailer for hassle-free transportation
- SIMRAD navigation system & through hull transducer
- Dometic SeaStar hydraulic steering
