Description

Aquapro have been a world leader in inflatable boat design and construction. Sold worldwide they have been manufactured and extensively tested in New Zealand due to the rugged NZ coastline which provides perfect conditions for developing their product range!

Aquapro have established a brand synonymous with superior quality, rugged dependability, and uncompromising attention to detail. According to Aquapro, their construction methods are unique in the inflatable industry, as they offer two fabric options for most of the range and have a proven track record.

For the weekend and casual boater, they recommend a German Polymer fabric, as all the structural seams and internal bulkheads are hot air welded and internally taped. When you choose an Aquapro, no matter what your application, you can be assured that you are purchasing the highest quality product manufactured from the finest materials available!

This Aquapro 680 RIB is powered by 4-Stroke Yamaha 115hp outboard engine (Est. 500 hours). The engine is freshly serviced, plus, a full mechanical inspection has just been carried out by a Yamaha specialist too!

Standout Features...

- Deep V Hull & Quality fittings
- T-Top Bimini & Anchor locker
