### Description

Saggers Marine proudly represents Herley Boats exclusively for Western Australia!

The Herley Powercat 3400 is a luxurious, high performance hybrid vessel designed for the ultimate cruising experience. Created by the renowned naval architect, Roger Hill, in collaboration with Herley's distinct approach to style, performance, and usability, this vessel combines innovation and luxury to create the perfect platform for fishing trips, cruising, or family outings.

Two twin cabins below deck with the option for a third single cabin provide ample accommodation while a separate shower and head ensures maximum comfort and convenience. Choose between an efficient diesel inboard engine or embrace the future of sustainable boating by cruising silently on electric motors and picking up speed in hybrid mode. There is a fully equipped galley and main saloon area that offer plenty of space for entertaining and relaxation while sliding doors lead to expansive cockpit decks to allow flowing access. The central island offers seating, fresh water, BBQ stowage, and fishing necessities. With luxurious finishes and a spacious layout, the Herley Powercat 3400 NZ is the ultimate vessel for those seeking the perfect balance of style, performance, and usability. So whether planning for a fishing trip, a family vacation, or a weekend getaway, this vessel will surely exceed expectations.
