Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The Regal 2000 ES is tailored to the family who wants to do it all on the water. The FasTrac Hull gives you more control on the water, with up to 26% faster speeds and 30% better fuel efficiency. This model has a multi-position backrest that gives you the freedom to face forward or lounge aft. You can safely board this boat via the transom walk-thru while still keeping the upholstery clean. The 2000 ES features the widest beam in its class. A wider beam means more space while you're out on the water.

For this model, Regal offers handcrafted diamond stitched upholstery, stainless accents and expanded seating to accommodate your needs. You can also opt for the ESX package which features hull-side graphics, Titanium with color-matched upholstery, and a black windshield header.
