Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The Regal 33 OBX is equipped for exhilarating adventure and premium entertainment. Live large with the expansive cockpit refreshment center and stay a bit longer in the comfortable berth accompanied by a well-equipped head. Using advanced boat building technology, our boats are crafted lighter, stronger and with a perfect glass to resin ratio, which means better fuel economy and higher performance. Explore the Regal 3300 with the same layout of the 33 OBX for the possibilities of sterndrive power.

The hardtop offers both fun in the summer sun and cool, shaded protection via the versatile retractable shade. Entertaining is simplified with the expansive refreshment center, including a refrigerator, sink, trash can, storage, optional TV, grill, second refrigerator and a spacious queen bed under the cockpit with LED accent lighting that adds a warm, luxurious feel.
