Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The 36 XO is extraordinary in every sense of the word, from the multi-position bow seating to the immense space in the aft thanks to the two outboard engines, you will have plenty of room for you and your guests for a weekend away on the water. The cabin boasts a California Queen and a spacious settee with multi-position bow seating. Handcrafted cabinetry and premium countertops add elegance to the head and separate walk-in shower for comfort and style. The convenient windshield walk-through allows you to travel between the bow and the salon in a breeze while the galley features optional sliding glass enclosure doors that integrate the salon and aft seating area. With everything you need to cook and entertain all in one place as well as many options for accommodation, you and your guests will be covered if your day out on the water turns into a night under the stars. Retract the hardtop for some sunshine and fresh air or close the salon completely by upgrading to optional glass enclosure doors.
