Suburb	MANDURAH	Engine Make	

### Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The Regal 38 Fly features versatility at a higher level and luxury with added comfort below deck. The flybridge's open layout creates a prime location for both entertaining and navigating while the galley combines with the outdoor refreshment center to serve as a versatile meal prep station or lower the large window with just the push of a button and slide open the enclosure doors to seamlessly blend the cockpit and salon.

Due to the advanced boat building technology, our boats are lighter, stronger and with a perfect glass to resin ratio which means better fuel economy and higher performance. The aft stateroom features a full-size king bed with plenty of walk-around space that can easily be converted into two twin beds and the spacious split head and shower fits two people which is a rare feature on a boat this size.
