Hull Style	Single	Hull Type	Fibreglass
Power Type	Power	Stock Number	
Condition	New	State	Western Australia
Suburb	MANDURAH	Engine Make	

Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The 38 FXO is an outboard-powered yacht with incredible performance and handling that provides ultimate versatility with elevated 360° open-air views when captained from the bridge or a climate-controlled environment surrounded by panoramic windows when captained in the upper salon. The flybridge's open layout creates a prime location for both entertaining and navigating while the galley combines with the outdoor refreshment center to serve as a versatile meal prep station. Lower the large window with just the push of a button and slide open the enclosure doors to seamlessly blend the cockpit and salon. Featuring a California Queen bed, easy access on both sides, and an unheard amount of storage beneath, the forward stateroom not only raises the bar but is in a class of its own. Likewise, the aft stateroom features a full-size king bed with plenty of walk-around space that can easily be converted into two twin beds.
