Suburb	MANDURAH	Engine Make	

Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

Regal's 38 XO bridges the gap between our Sport Yacht and Outboard Series and creates a class of its own by combining luxury, innovation and the flexibility of outboard power. A slim, low-to-the-water platform features wings on both sides that wrap around the outboards while a step provides easy access across to either side, even with the outboards trimmed up. Enjoy adrenaline-charged performance delivered by Yamaha power and explicitly designed running surface.

Slide open the enclosure doors and seamlessly blend the cockpit and salon by lowering the large window with just the push of a button then combine the galley with the outdoor refreshment center to serve as a versatile meal prep station.

The spacious split head and shower fits two people while a California Queen bed, easy access on both sides, and an unheard amount of storage beneath, the forward stateroom not only raises the bar but is in a class of its own.
