Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The 42 Fly boasts a spacious flybridge, open air atrium, and the most innovative luxury in nearly 50 years of boating excellence making it a class of its own. The flybridge open layout creates a prime location for both entertaining and navigating. Due to advanced boat building technology, our boats lighter, stronger and with a perfect glass to resin ratio which means better fuel economy and higher performance. The innovative sprawling layout seamlessly blends the upper salon and aft patio into one immense open space and as you walk down the hardwood stairs, you will immediately be surrounded by the atrium's sense of spaciousness and an abundance of natural light. The aft stateroom raises the bar as the largest in its class with a full size king bed that can easily be converted into two twin beds while the forward stateroom has an island California queen bed that is set at the perfect height with full walk-around space for easy entry.
