Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The Regal 42 Grande Coupe was crafted with luxury while including an expansive array of innovative amenities and designed to escalate what it means to indulge in ultimate entertainment and relaxation. Due to advanced boat building technology, our boats are lighter, stronger and with a perfect glass to resin ratio which means better fuel economy and higher performance. The innovative sprawling layout seamlessly blends the upper salon and aft patio into one immense open space when the glass enclosure doors are completely opened. Walking down the hardwood stairs will surround you with the atrium's sense of spaciousness and abundance of natural light. The forward stateroom is unrivaled due to its island California queen bed set at the perfect height and has full walk-around space for easy entry while the aft stateroom raises the bar as the largest in its class with a full-size king bed and plenty of walk around space that can easily be converted into two twin beds.
