Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The LS9 is engineered for an amazing day boating experience with its premium craftsmanship and thoughtful design, it offers limitless comfort and industry-leading standard and upgradable tech, making it easier than ever to reach more destinations.

For inclement weather or low bridges, quickly and easily adjust the latches and tap a button on your displays and the Power Hardtop lowers with enough room for you to sit comfortably underneath. Standard 12" displays with digital switching and the seamless Garmin suite raises the bar to a new level on the LS9. You have full control of your Garmin systems, audio, digital switching, and more, so setting your RGBW lighting, lowering your Power Platform, and a variety of tools are easily accessible.

The SandbarSubs option is a unique and innovative product that allows high-quality audio designed to enhance the boating experience while Edge-To-Edge Seating, multi-density foams, angled backrests, and more allow for maximum usage and comfort in the cockpit including the Power Platform that lowers and raises with the touch of a button.

KEY FEATURES:

- NMMA, ABYC, USCG & CE Certified
- Power Assisted Steering
- Bow Thruster
- Weather Resistant Deutsch Connectors
