Description

Saggers Marine proudly represents Regal Boats exclusively for Western Australia!

The LS9 Surf is designed for maximum surf performance, boasting an extensive range of standard features and cutting-edge technology. Its ergonomic layout and design ensure a comfortable ride, making it the ideal choice for surfers. The Regal Surf System of 2,500 lbs of ballast, custom wave shaping tabs, Volvo Penta's Forward Drive, and dual 12" Glass Cockpit Water Sport Displays combine to create the ultimate wake-surfing experience. Features such as standard 12" displays with digital switching, intuitive surf controls, and the seamless Garmin suite elevates the LS9 to a whole new level.

The Power Hardtop lowers with ample room underneath to provide adequate cover during inclement weather while the WakeSubs option is a unique and innovative product that allows surfers to enjoy high-quality audio aimed at enhancing the wave-riding experience. Whether at the helm or as the co-captain, you have full control of your Garmin systems, audio, digital switching, RGBW lighting, Power Platform and a variety of other tools.
