Description

Set sail on your next adventure with this beautifully maintained Sea Ray 335 Sundancer, powered by twin 5.0 MPI Mercruiser engines complemented with twin Sterndrives giving the advantage of peak performance, shallow water operating, and the ability to beach anchor too! Plus, there's an optional SeaPen to keep this Sea Ray clean and dry when not in use!

This SeaRay 335 has undergone significant maintenance to ensure top performance and reliability. In January 2023, one of the engines received a complete rebuild, and in October 2020, two brand new Mercruiser SeaCore transom assemblies and exhaust bullhorns were installed, with receipts totalling over \$46,000. These updates paired with a huge maintenance history at hand add tremendous value and peace of mind for the new owner!

From the moment you step on board via the spacious marlin board with stainless rails, you'll appreciate the care and attention this vessel has received. Entering through the transom door, you're greeted by a comfortable and inviting cockpit. The rear lounges, with seating for six, surround a removable table, perfect for social gatherings. Serviced by an on-deck fridge, ample storage, and a sink, entertaining is a breeze. There's full covers and clears for weather protection, and marine carpet throughout the cockpit.

At the helm, you'll find a well-laid-out control centre featuring a huge double skipper's chair, ideal for a cosy afternoon cruise! This Sea Ray is equipped with a Lowrance Navigation system and a GME Marine Radio, ensuring you're always on course!

The electronic engine hatch offers easy access to a tidy engine bay, housing not only the reliable Mercruiser engines but also a Kohler marine genset, contributing to the practicality of this 335!

Below deck, the bright and functional interior offers sleeping accommodations for four in the forward v-berth and aft lounge area. The galley is well-appointed with a microwave, sink, electric hotplates, and plenty of storage, while the comfortable dining area opposite provides the perfect spot for meals whilst on board! There's also a TV/DVD, Clarion stereo system, and air-conditioning, ensuring all the comforts of home are at your fingertips.

The spacious and clean bathroom includes a toilet, shower, and vanity, making extended voyages comfortable and easy!

Standout Features -

- Twin 5.0 MPI Mercruiser engines, 1x completely rebuilt in Jan 2023!
