Mention the name Sunseeker to boaties in the know and they will expound the virtues of this world-leading brand!!! This British builder has an extensive range of high-performance World-Class Sport Boats and Luxury Motor Yachts too!!

This 37 Sport fisher has an excellent cockpit door with swim ladder arrangement in the starboard gunwale, which also make this boat ideal for scuba diving. The 37 Sport fisher is a stylish boat! Plus, she's powered by diesel engines with just 667 hours on the clock too!!

The twin Volvo Penta D6 310hp engines produce a lot of power!! Plus, their complemented with Duo propeller Sterndrives which give the advantage of peak performance, shallow water operating, and the ability of beach anchoring too!!

They'll propel the boat to 38 knots, which is pretty good considering she has an overall length of 43' 9" and weighs around 8 Ton. Economically, she cruises at 25 Knots and the digital controls and Bow thruster make Docking a Breeze!!

The Sport fisher is designed around Sunseeker's well-proven deep-vee hull giving her the handling and performance to easily handle Bluewater fishing and cruising!

This boat is divided into four distinct areas, the aft cockpit for fishing & entertaining! The enormous centre console helm station, a lounging area forward of the helm and the below deck accommodation!

The fibreglass hard top protects the helm and lounging area from the elements and its supports are surrounded by a stainless-steel grab-rail.

Both the cockpits forward and aft of the helm console are self-draining and feature under seat storage; a top-loading ice chest next to the helm; a tackle and bait station with sink and live baitwell behind the helm, multiple fishing rod holders in the gunwales and transom; a hot/cold transom shower and underfloor fish boxes too!

The centre console features full instrumentation and quality Raymarine & Simrad electronics. Bolster drivers and navigator's seats allows the skipper to be in a standing position which is a comfortable option!! Moving forward the walkway decks around the cabin sides to the bowsprit are teak laid and the stainless-steel bow rail is high enough to lean against for good support!

To the right of the galley is a bathroom, once inside there's quite a bit of room to move about. There's a full height shower, sink and tap, an eye-level medicine cabinet and an opening porthole. The Timber Cabinetry work is first class!!
