### Description

Embark on your maritime dreams with this meticulously maintained 40ft Swarbrick Yacht, a vessel that promises unparalleled performance and comfort on the open waters. Crafted with precision and passion in Western Australia's own Carnarvon, this yacht is tailor-made for the unique challenges and charms of West Australian waters.

Rigging, Main Sail & Jib replaced in 2020 - ensuring optimal sailing performance. Freshly serviced and antifouled in January 2024, this yacht is in pristine condition, ready to navigate the oceans with ease. Cherished for two decades by its current owner, the care and attention lavished upon this vessel are evident in every detail!

Born for the sea, this yacht has competed in the prestigious Fremantle to Darwin Splash Yacht race multiple times, showcasing its prowess and reliability under pressure.

Step into a world of natural light and airy interiors, where every corner invites relaxation and rejuvenation. The spacious layout offers comfortable sleeping accommodations for up to 7, ensuring everyone aboard enjoys a restful retreat.

Impress your crew with delicious meals prepared in the well-equipped galley featuring a fridge, freezer, pressurized water system, Orio stove/cooktop, and ample storage for provisions. Wind down after a day of adventure with onboard entertainment options including a TV, stereo system, and the soothing sounds of the sea as your backdrop!

With 2x approximately 350L water tanks onboard, supplemented by a hot water system and electric toilet with holding tank, freshwater worries become a thing of the past!

Embrace sustainability with 3x solar panels, 4x AGM batteries, and a 240V inverter, ensuring a reliable power supply even when far from shore. Plus, seamlessly transition between onboard systems and shore power with the convenience of shore power connectivity.

Stay connected and informed with a Northstar radio with repeater, radar system, autopilot, and a comprehensive suite of navigational tools, empowering you to navigate with confidence in any conditions.

Powered by a Universal 40HP Kubata Engine and equipped with a bow thruster, manoeuvring in and out of port is effortless and efficient.
