Suburb	PERTH	Engine Make	

### Description

Attention, sailing enthusiasts! Discover the charm of this exceptional Westsail Yacht, 'Stesha'!

Launched in September 1987, Stesha is a timeless treasure, carefully updated with modern enhancements while retaining its original character. Stesha's craftsmanship is evident in every detail, from the brass portholes to the quality timberwork!

Featuring a stainless-steel bowsprit, a self-furling jib at the bow, a powerful Hercules anchor winch, and a Roaring Forties life raft, Stesha is ready for both local cruising and extended voyages!

Navigate the wide, non-skid gunwales leading to a spacious cockpit, equipped with tiller steering, an autopilot, and a wind generator mounted on the transom. The cockpit offers comfortable seating, a compass, winches, and conveniently placed line controls, ensuring smooth sailing and easy access to every part of the vessel.

Powered by a 30 hp Yanmar diesel engine (coolant-cooled) with just 150 hours on the clock, Stesha cruises efficiently at 5-6 knots.

Step into the classic interior, where rich timber accents create a warm and inviting atmosphere. The space is clean and well-organized, featuring a well-appointed galley, a navigation station, a dining area, and cozy seating. The generous headroom adds to the comfort of this charming WestSail!

The navigation station is well-equipped with clearly labeled 12-volt controls, a depth gauge, voltage and amperage indicators, a Raymarine C80 GPS chart plotter, UHF and 27-meg radios, and a Fusion Stereo system too!

The dining area comfortably seats four and easily converts into a sleeping space, while the starboard lounge serves as an additional berth for crew members. The forward cabin accommodates two and provides ample storage. The head is fitted with a composting toilet, sink, vanity, and shower for added convenience.

#### Standout Features -

- Tiller steering, autopilot, wind generator, and anchor winch!
- 30 hp Yanmar diesel engine (coolant-cooled) with just 150 hours!
- Raymarine C80 GPS chart plotter, Depth gauge, UHF and radios
- Slipped and re antifouled early 2024, and so much more!
